## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission in that effect, signified by a Warrant under Her Royal Sign Manual.
2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, shall be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.
4. If the service for which it is proposed to confer the Order has been performed during War, no Notification required by the preceding Clause must be made not later than two years after the termination of the Ratifications of a Treaty of Peace.  
If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and if such naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, to determine whether there be any objection to Her Majesty's permission being granted.  
A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.
6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken Her Majesty's pleasure on any such application, and shall have obtained Her Majesty's permission for the same, in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, I shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.
7. When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.
8. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
9. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence or permission does not authorize the assumption of any style, appellation, rank, precedence or honours appertaining to a Knight Bachelor of Her Majesty's Realm.
10. When a British Subject has received the Royal permission to accept a Foreign Order, he will from that time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.
11. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.
12. Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must rather be considered as personal favours bestowed on British Subjects by British Sovereigns, and as being no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.
2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal be bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

**VICTORIA R.**  
Whereas by Article 444 of our Royal Warrant of the 3rd February, 1866, a reward of £5 was granted to the Adjutant on the final approval of each recruit enlisted at home, at head quarters of a regiment or dépôt battalion or brigade of Artillery :  
And our will and pleasure is, that, with a view to encourage enlistments at head quarters, the reward be increased to £6. for each recruit passed into the service at head quarters on the date of this our present Warrant.

Given at our Court at Saint James's, this 24th day of March, 1868, in the 32nd year of our reign.

2. Soldiers of our Canadian Rifles who shall have re-engaged, or re-entered the Army after having completed a first period of service, and such soldiers, enlisted for unlimited service as shall have served continuously and have completed ten years of approved service, towards pension on discharge, shall be entitled, in addition to the rate of pay sanctioned by the foregoing article, to the additional 1d. a day granted to re-engaged men by our Royal Warrant of the 29th June last.

3. And whereas by our said Warrant of 29th June last we did command "that the additional pay of 1d. a day during a second period of service shall, as regards the commissioned officers and men of the Royal Canadian Rifle Regiment, be in lieu of the exceptional addition of 1d. a day now received by soldiers of that corps serving in special engagement for continued service."

Our will and pleasure now is, that such soldiers of the said regiment as shall previously to the date of this our Warrant, have engaged to complete a total period of twenty-five years' service, shall be entitled, in addition to the rate of pay sanctioned by Article 1 of this our Warrant, to an additional 3d. a day, if they be of or above the rank of sergeant, or to an additional 2d. a day if they be of the rank of corporal, private, or bugler; and such addition of 3d. or 2d. shall be held to include the additional 1d. a day granted to re-engaged men by our Warrant of 29th June last.

## CL. 49.—Taxes on Servants.

It has been decided by the Lords Commissioners of Her Majesty's Treasury that exemption from the assessed tax upon officers' servants must be confined to those officers whose servants are actually soldiers in the Army, to officers of Engineers, and officers of the School of Musketry at Hythe.

## CL. 50.—Savings Banks.

1. All savings bank balances due to men proceeding from corps serving in Great Britain or the Colonies to corps serving in India must be transferred to the War Office. The amounts so transferred, the dates to which interest has been calculated thereon, and the corps to which the men are proceeding, will be specially reported to the Secretary of State for War.

2. All balances due to men transferred from corps serving in India to corps serving in Great Britain or the Colonies should be remitted to London, conformably to the instructions promulgated by direction of the Secretary of State for India in Council; inasmuch that they may be re-invested in the home savings banks, under the direction of the Secretary of State for War.

3. Transfer Statement Forms A, B and C are wholly inapplicable for the transmission of savings bank balances either to or from India.

## CL. 51.—Fuel.

## BARRACK DEPARTMENT.

When extra issues of fuel are authorized by general or other officers commanding under the discretionary powers conferred upon them by War Office Circular 873, the Departmental Officer who issues the extra fuel will each week submit to the general officer commanding whether, having regard to the cost of the issues, to the weather, and to all the other circumstances of the case, the extra issues ordered shall be continued or not.

## Circulars—continued.

## CL. 22.—Quality Certificates of Coal.

It has been decided, with reference to Clause 65, Army Circulars, 1867, that the certificates of coal which, under the terms of contract are to be furnished by the Barrackmasters, will be attached by the latter to the certificates of receipt issued by them on W. O. Form, 1423.

The receipts shown in the certificates of delivery will correspond with the quantities in the receipted bills.

## CL. 23.—Barracks.

The items will in future be accounted for in the Barrack Store Accounts in the form of a bar brown, &c., and the practice hitherto in force of including them in the Accounts will be discontinued.

## ARMY MEDICAL DEPARTMENT.

## CL. 1.—Register of Enthetic Diseases.

Whereas of Enthetic Diseases, W. O. Book 1874, will henceforward be regularly entered in the Ordinary Case Book, W. O. Book 187, by all medical officers in the Army or detachments at home or abroad.

I request the diseases in question, when uncomplicated with other affections, to be entered in this register. When extras are judged to be indispensable, the cases of a very such instance appear also in the Ordinary Case Book, and the necessity of such extras must be fully and clearly shown.

The accuracy of this register will, it is hoped, lessen materially the clerical labour of the medical officers, and at the same time place at the disposal of the Army Medical Department information on a subject which will be of much value to the profession.

## STORES.

## CL. 1.—Nomenclature and Prices.

The nomenclature of stores supplied from the Tower and Woolwich having been issued by the War Office, and the several departments of the Army, all demands and requisitions for stores must be prepared in strict conformity with the nomenclature of these vocabularies, and the prices inserted therein.

The stores and store accounts will also be amended in accordance with the same, and the stores now on hand at the Tower and Woolwich will be brought to the attention of the stores now on charge, the necessary correction of the nomenclature will be made by means of transfer vouchers (receipt and issue).

In the case, however, of such stores as may have to be issued in parts or details, the stores in a complete state as received from the Tower or Woolwich, the items will be entered in the ledgers in detail as "spare, &c.," in accordance with the vocabularies; and the stores being used in support of such transactions.

### G.O. 36.—Probationers, Indian Staff Corps. (*Military Secretary.*)

(Specially issued as a Memorandum on 1st April, 1868.)

His Royal Highness the Field Marshal Commanding in Chief is pleased to notify that, in concurrence of the Secretary of State for War and the Secretary of State for India, it has been decided that officers of line regiments, in which the purchase system is in force, whose permanent appointment in the Indian Staff Corps shall appear in the General Orders of one of the local governments of India, on a date subsequent to the 1st March, 1868, and who, on the date of such permanent appointment (being the date of appointment as probationers for the Staff Corps), shall not have exceeded four years' service on full pay, from the date of first commission,—shall receive, on their names being in the "London Gazette" as finally transferred to the Staff Corps, the exact value of the commissions they would have received, under War Office Regulations, had they retired from the service by the sale of their commissions at the time of joining the Staff Corps.  
Probationers.  
Promotions in succession to vacancies caused by transfers to the Indian Staff Corps in future, be by purchase instead of without purchase as heretofore, when the officers so transferred are entitled to receive the value of their commissions.

### G.O. 37.—Musketry Instructors and Snider Ammunition.

In compliance with a recommendation from the superintendent of the royal laboratory, musketry instructors of regiments at home are to be sent to Woolwich for a short time for the purpose of acquiring practical information and instruction with reference to Snider breech-loading ammunition, as soon as the present annual musketry course has been so far proceeded with that they can be spared from their regiments. Commanding officers will report when their instructors are available for this duty.

### G.O. 38.—Musketry.

A reprint of the regulations issued on 1st February, 1867, having been called for by the Stationery Office, all orders and decisions promulgated between that date and the 1st March last have been embodied therein. A list of them is annexed in the Appendix, and the books in use are to be corrected in accordance therewith.

MAY, 1868.

## GEN. ORDERS—continued.

## G.O. 39.—Gymnastics and Fencing.

The regulations for the gymnastic and fencing instruction and for the club exercises have been ordered to be printed and bound together in one volume, as more convenient for reference and use than the three separate volumes now published.

## G.O. 40.—Postage of Soldiers' Letters.

Referring to paragraph 489 of the Queen's Regulations and Orders for the Army, has been notified by the Postmaster General, that, in consequence of the withdrawal of the British packets, which have hitherto conveyed the mails between Ceylon and Mauritius, no means now exist of sending letters to soldiers at the Mauritius, at a reduced charge, except by private ship.

All such letters must therefore be prepaid 3d. each.

G.O. 41.—Canteens. (*Quarter Master General*.)

The Field Marshal Commanding in Chief having had under his consideration the operation of the rules regarding the accumulation and disposal of the profits of regimental canteens, has decided, in concurrence with the Secretary of State for War, 1886, to be cancelled, and the following substituted.

**Charges against fund.** 1036. All charges for the maintenance and conduct of the canteen must be paid from canteen profits.

Among these charges will be the following, viz.—

- (a). Payment for articles purchased.
- (b). The monthly rent of the building.
- (c). The purchase of, and monthly percentage on, bar utensils and any furniture issued in excess of regulations.
- (d). Charges for canteen losses or damages.
- (e). The insurance of the canteen stock against fire.
- (f). The payment of the wages of the canteen serjeant and assistants.
- (g). The cost of fuel and light.
- (h). Cleaning, &c. of the canteen establishment.

1037 cancelled.

1038. The profits, exclusive of stock in hand, are not to be permitted to accumulate in the Royal Artillery Garrison Canteen at Woolwich beyond £500; in the Royal Engineer Corps Canteen at Chatham beyond £200; and in the regimental, detachment or battery canteens beyond £50; with a proportional increase at the rate of £50 for each regiment, in the case of brigade or garrison canteens, where such may be established.

These amounts respectively are not to be expended except to meet unavoidable canteen losses or expenses consequent upon removal from one station to another.

## G.O. 42.—Forms.

As the printed form of guard report prescribed in paragraph 866 of the Queen's Regulations and Orders for the Army, 1868, is applicable more particularly to regimental main or quarter guards where prisoners are confined, general and other officers commanding are authorized to use their discretion in ordering manuscript forms of report to be rendered by other guards, but the prescribed form (W.O.F. 1036) is to be adhered to as far as practicable.

## G.O. 43.—Officers' Messes.

With reference to paragraphs 531-2 of the Queen's Regulations and Orders for the Army, 1868, it is to be understood that the mess fund of each depot is to be credited, heretofore, with its proportion (viz., one-sixth) of the contributions payable by all company officers in accordance with paragraphs 290-1; as well as with the annual subscriptions of the officers serving with the depot.

## G.O. 44.—Re-Engagement of Armourers.

Several instances having occurred in which the re-engagements of serjeants of the armourers corps attached for duty to regiments of the line have been carried out irregularly, application is, in future to be made to the Adjutant General previously to the re-engagement of these non-commissioned Officers. These re-engagements are, in all cases, to be made for the corps of armourers, and not for the regiments to which the armourers may be attached.

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order, has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Our will and pleasure is, that an Adjutant, with the rank of Cornet or Lieutenant, in our regiments of Life Guards, or in our regiment of Royal Horse Guards, who shall have served for an aggregate period of thirty years, of which ten shall have been as Adjutant, shall have a right to retire, with the honorary rank of Captain, on the half pay of 10s. a day; provided his retirement shall be recommended to us by our Secretary of State for War.

Given at our Court at Saint James' this 14th day of May, 1868, in the 31st year of our reign.

By Her Majesty's Command.

**CL. 57.—Royal Warrant for the Pensions of the Ceylon Rifles.****VICTORIA R.**

Whereas we deem it expedient to revise the regulations contained in our Royal Warrant of 19th February last, under which pensions are granted on discharge to the native non-commissioned officers and men of our Ceylon Rifle Regiment.

Our will and pleasure is, that from and after the date of this our Royal Warrant, our said Warrant of 19th February last be cancelled, and that this our Warrant be received as the sole and standing authority in regard to the matters herein treated of.

Provided always that any non-commissioned officer or man enlisted prior to the date of our said Warrant of 19th February last, shall, as regards his claim to pension, be entitled to every benefit (not forfeited by misconduct) which he could have claimed under any warrants or regulations in force at the time of his enlistment.

1. The pecuniary benefits attaching to cases of disability shall, as a rule, be limited to disability caused in and by the service; but in cases of soldiers whose service and good conduct, as ascertained at their personal examination by the proper authorities, may appear to give them a claim to some consideration, gratuities, or pensions for short periods, may be granted by the Commissioners of Chelsea Hospital, although the disability rendering them unfit to remain in the Army may not be distinctly stated in the discharge documents to have been contracted in and by the service.

**ARMY CIRCULARS—continued.**

2. Such other special deviations from these general rules as are hereinafter expressed, or as may appear advisable, may be made by our Secretary of State for War, with whom alone it rests to interpret the true intent and meaning of any passage in this Warrant.

3. The amount of pension granted by the Commissioners of Chelsea Hospital, as a rule, shall not exceed the rates fixed by this Warrant. Special cases, however, of men whose disabilities shall have increased subsequently to their leaving the service, and who shall not have been awarded the maximum rate of pension, may be re-considered, and the pension previously awarded may be augmented, if any peculiar circumstances justify such a proceeding.

**PERMANENT PENSIONS.****Wounds received in Action.**

Serjeant ... .. 2½d. a-day.

Corporal ... .. 1½d. "

Private ... .. 1d. "

The aggregate pension, however, awarded to a non-commissioned officer shall in no case exceed the maximum granted in Article 9; and such increase shall only be granted for one year, but may be renewed thereafter by the Commissioners of Chelsea Hospital for such period as they may, under the circumstances of the case, deem proper, on evidence of the pensioner's continued incapacity to earn a livelihood.

*Pensions of Soldiers Discharged for Disability after less than 21 Years' Service.*

11. Soldiers discharged after fourteen, but under twenty-one years' service, on account of permanent disabilities contracted in and by the service, which not only unfit them for the ordinary duties of soldiers, but also render them incapable of earning a livelihood, shall be entitled to receive pensions at the following rates, viz.:—

## TEMPORARY PENSIONS AND GRATUITIES.

12. Men discharged previously to the completion of 21 years' service, on account of being unfit for the ordinary duties of a soldier, in consequence of disability contracted in and by the service, may be allowed temporary pensions according to the following scale, viz.:—

13. A non-commissioned officer who shall have served as such without intermission for three years immediately preceding his discharge, may be allowed an addition not exceeding, for a corporal, a halfpenny a-day, and for a serjeant a penny a-day, to the temporary pension which would have been granted to him if he had been discharged as a private.

14. In severe cases of disability or injury resulting entirely from military duty or from the effects of climate, after a service not exceeding 14 years, the temporary pension may be renewed by the Commissioners of Chelsea Hospital for such further period as the case may in their judgment warrant; or, under special circumstances, the temporary pensions may be made permanent.

15. Gratuities varying from £1 to £5 may be allowed to men with more than 5 and less than 10 years' service, discharged without disability in consequence of reduction or disbandment. Temporary pensions, not exceeding those provided in Clause 12, may be allowed in similar cases to men discharged with more than 10 and less than 21 years' service; such gratuities and pensions being proportioned to the soldier's merits and length of service.

17. Serjeants and other non-commissioned officers, above the rank of corporal, shall be entitled to reckon their service in ranks above that of corporal as good conduct service, for the purpose of adding to their pensions the rate of good conduct pay to which they would have been entitled under the provisions of our Royal Warrant of 2d February, 1866, had they not been promoted; provided always that the total amount of such pension, unless for wounds received in action, or in cases of total blindness, shall not exceed:—

### G.O. 48.—Retirement of Officers from non-purchase Regiments. (Military Secretary.)

(specially issued as a Memorandum on 18th April, 1868.)

It has been determined by the Secretary of State for India in Council, with the concurrence of the Secretary of State for War and His Royal Highness the Field Marshal Commanding-in-Chief, that in future officers of the twelve non-purchase Line Regiments, who have entered those corps from Her Majesty's Indian Service and may wish to retire from the Army and may not be entitled under Indian Regulations to either full or half-pay, shall, subject to the approval of the Secretary of State for India in Council and His Royal Highness the Field Marshal Commanding-in-Chief, receive on retirement such sums as officers of the same rank retiring from a purchase corps would be entitled to under Article 84, Part 1, of the Royal Warrant of 3rd February, 1866, or under whatever corresponding rules may be in force in Her Majesty's British Service at the time.

Promotion in these Regiments in consequence of the retirement of officers under the conditions referred to in this memorandum will, as usual in the corps in question, be without purchase.

### G.O. 49.—Staff Appointments. (Military Secretary.)

Much inconvenience having been occasioned by the employment of regimental officers for an undue period on the personal staff of general officers and of governors of colonies, it has been decided to restrict the term of service in such a capacity to five years in the former and six years in the latter case. When an officer has completed such period, he will be required to rejoin his regiment and do duty with it for two years, before he can be again similarly employed, unless he is willing to exchange to temporary half-pay.

### G.O. 50.—Gymnastic Stores.

Paragraph 1364 of the Queen's Regulations and Orders for the Army is cancelled. Requisitions for articles for gymnastic instruction are to be made in the same manner as those for other barrack stores, viz. on the barrack master, if the articles are sanctioned by regulation; and in accordance with paragraph 1474c of the Queen's Regulations, if not so sanctioned.

GEN. ORDERS—continued.

**G.O. 51.—Exercise and Recreation Grounds.** (*Quarter Master General.*)

Referring to paragraphs 1007 and 1474 of the Queen's Regulations and Orders for the Army, officers commanding districts or stations are requested, in making applications for the hire of land for recreation or other purposes, to conform to the regulations for their guidance contained in War Office Circular 861, dated 17th December, 1888.

**G.O. 52.—Military Train.** (*Quarter Master General.*)

With reference to paragraph 1106 of the Queen's Regulations and Orders for the Army, regarding the employment of the Military Train, it is hereby notified that this corps may be worked, at the discretion of general officers commanding, to the extent of *three-fourths* of its effective strength, instead of *two-thirds*, as therein laid down.

**G.O. 53.—Medals.**

Good conduct medals, with and without gratuity, should be applied for in separate letters, which should contain in the margin a statement of the grants recommended, the awards previously made, and the medals or the amount for gratuities unappropriated for the year.

**G.O. 54.—Supernumeraries.**

Commanding officers of regiments at home, and depôts of regiments on foreign service, on receipt hereof, will be pleased to transmit to the Adjutant General nominal returns of all non-commissioned officers and others who are borne in their corps as supernumeraries, showing the situations held by them, the dates of appointment, and, if the individual is married, the date of marriage.

**G.O. 55.—Recruiting.**

Whenever boys partly trained as musicians are required by regiments, commanding officers should apply to the Inspector General of Recruiting, stating the instrument on which they wish the boys to play.

Steps will be then taken to procure them through the assistance of her Majesty's Inspectors of Schools.

Under no circumstances, however, is the establishment of boys to be exceeded.

**G.O. 56.—Forms.**

The form of acquittance roll (Appendix) is to be adopted throughout the army. Supplies may be obtained upon requisition to the War Office.

9d. per quire will be charged for the form of "Acquittance Roll," or the inside half sheets which may be required in the case of the Royal Artillery or Royal Engineers.

By command.
